

what else happened today...?
 last night i fell asleep around 12-ish a.m. and woke up around 3-ish a.m., right when 清子 had just gotten to 上海。 amazing timing. we ended up talking until 6ish. she said "我今天在飞机上想到你了" and later elaborated at 4:48 a.m., "我在想你几点睡着了" "我想你了" 你会不会还是醒来的。 "我还想了别的" we also talked about whether/what would happen if we were both busy one day/whether communication would continue the way it has been. when i went to bed at 6:27 a.m. she promised to leave a voicemail and did so at 8:52 a.m. i woke up at 9 a.m. i really loved hearing her voice. it made my heart smile, for some reason i can't quite articulate.

i think today more than ever i wanted to see 清子 be in her presence, and i am not sure why, or rather, why today/now. maybe it's the rain, maybe it's hearing her voice, i don't know. i wouldn't say i'm head over heels in love, but i am definitely head-over-heels for her. and even though i don't know if she feels that way about me/to such an extent, something makes me think the feelings at least flow both ways to some extent/she at least likes me quite a bit... the question is what do i do from here? is she thinking about making a move? i'm thinking about confessing (seems like that's all i ever do nowadays anyway) when we meet again first thing, but that's ~~probably~~ way too soon/too gung-ho, ha ha. we'll see, i'll just float and take it all as it comes. whatever happens, i'm sure things will work out. or rather, i'm not sure, but i've got some good/positive feelings about all this. 95 now i'm listening to 你快乐 所以我快乐。

other things of note yesterday:

- i got to work around 11 a.m. and didn't leave until 8:40 or so...
- ink pages, lindray harrick, page numbers, fashion credits, printing taking fucking forever, aaron getting on my nerves
- snack/lunch with manon at five guys
- wore a pretty fine outfit today and manon was like "yas yas so much yas" when she saw me and she looked so good in my favorite dress of hers too
- ~~extra~~ after i finally got outta work i walked over to candelain the rain and catherine showed me around for a bit; then we went to hang out at my place for a bit
- scott pmuch bailed on going to need supply party (oh well)
