

Mrs. Joye G. Ledford,

Dear Mrs. Joye Ledford,

I am honored to be a recipient of the Robert & Joye Ledford Scholarship for the fall 2014 semester. I went out on a limb to apply for this scholarship and didn't expect anything to come of it. ~~But so~~ ~~it~~ ~~material~~ I feel very blessed and grateful for to have been awarded this scholarship, which will help me with my dreams. I'm not sure if this is feasible, but if there is ever an opportunity, I would love to meet you, to thank you personally and get to know you. (Isn't that an awfully old-fashioned of me?) I always feel like meaningful/important things should be dealt with as personally as possible.)

~~Regardless~~. Also, as you may know, I am an aspiring ~~designer~~ ~~designer~~ and I am a graphic designer and aim to pursue a career in design and art, so if there's any sort of design task you'd need help with, please feel free to let me know. I would be happy to be of service.
